## Presidents report

Kevin MOSS is away working at the moment so here is a report on his behalf.

Another AGM under our belt - that makes it about number 23 since 1989. Thanks to past committees & congratulations to the 2012-13 group. There is a lot of work to be done this year & the committee needs ideas and support from every club member, especially in the area of increasing membership numbers.

No idea is a bad one.

Speaking of members, it is with sadness we report a member of many years, Angus Horwood, passed away last month. Angus was a strong supporter of ours, & many other clubs & organisations & was especially keen on game fishing. Several current members attended the funeral which was attended by about 100-150 friends & family. A sign of the respect & appreciation he deserved.

It is very obvious to regulars on Friday night that our membership has shrunk over past 12 months. The knock-on effect of a small membership makes for greater pressure on members and the clubs survival. Having said this, it is important we sell all our Nulsen Haven raffle tickets as our return will pay the rent for 2-3 months. If you would like more tickets let me know & I will organise it.

The Annual dinner on 27<sup>th</sup> October is another event that is well under way (thanks to Sarah) & needs your support and attendance (family & friends are also very welcome) For \$55pp, a 3 course dinner, entertainment & limited bar tab is value you will not find elsewhere. It is also an occasion to dust off your glad rags & dancing boots to show off your style and grace. Contact Sarah (0400588407) to get your tickets.

6<sup>th</sup> of April 2013 is AAA State boating Championship which is being hosted by QRFC, under the stewardship of you're Angling & Sports Committee. The event will now be held at Ocean Reef Sea Sports Club out of Ocean Reef Marina due to Mindarie Marina withdrawing their permission to hold the event at Mindarie. Their reasons for doing so are vague and in our opinion are not valid but they have the final say. We will move on to make the event a

Success with assistance of all members contributing on the day. Not only do we need fisher people, volunteers to help run the event are equally important. Gamini will soon be chasing people to commit to the event so please put your hand up to help in any way you can when asked.

The final sale of Fowey Loop is still dragging it's heels and a date funds will be available is not known.

I recently spoke with Mayor Tracey Roberts & she reassured me she will try & have 2<sup>nd</sup> stage of the surf club brought forward if possible. We will, as we have for many years, have to wait and see. But we can only hope at this stage.

2012-13 is going to be full of challenges but with all your support, ideas & energy it will be another good one & AGM No. 24 will be here before you know it.

Just a friendly reminder that some peoples fees for this season are over due and it would be great if you could please make sure your and your details are up to date. If there is a renewal form included with this newsletter, it means our records show you to be un-financial.

Richard  
President of Vice's.

# ANNUAL DINNER

When: Saturday the 27th of October.

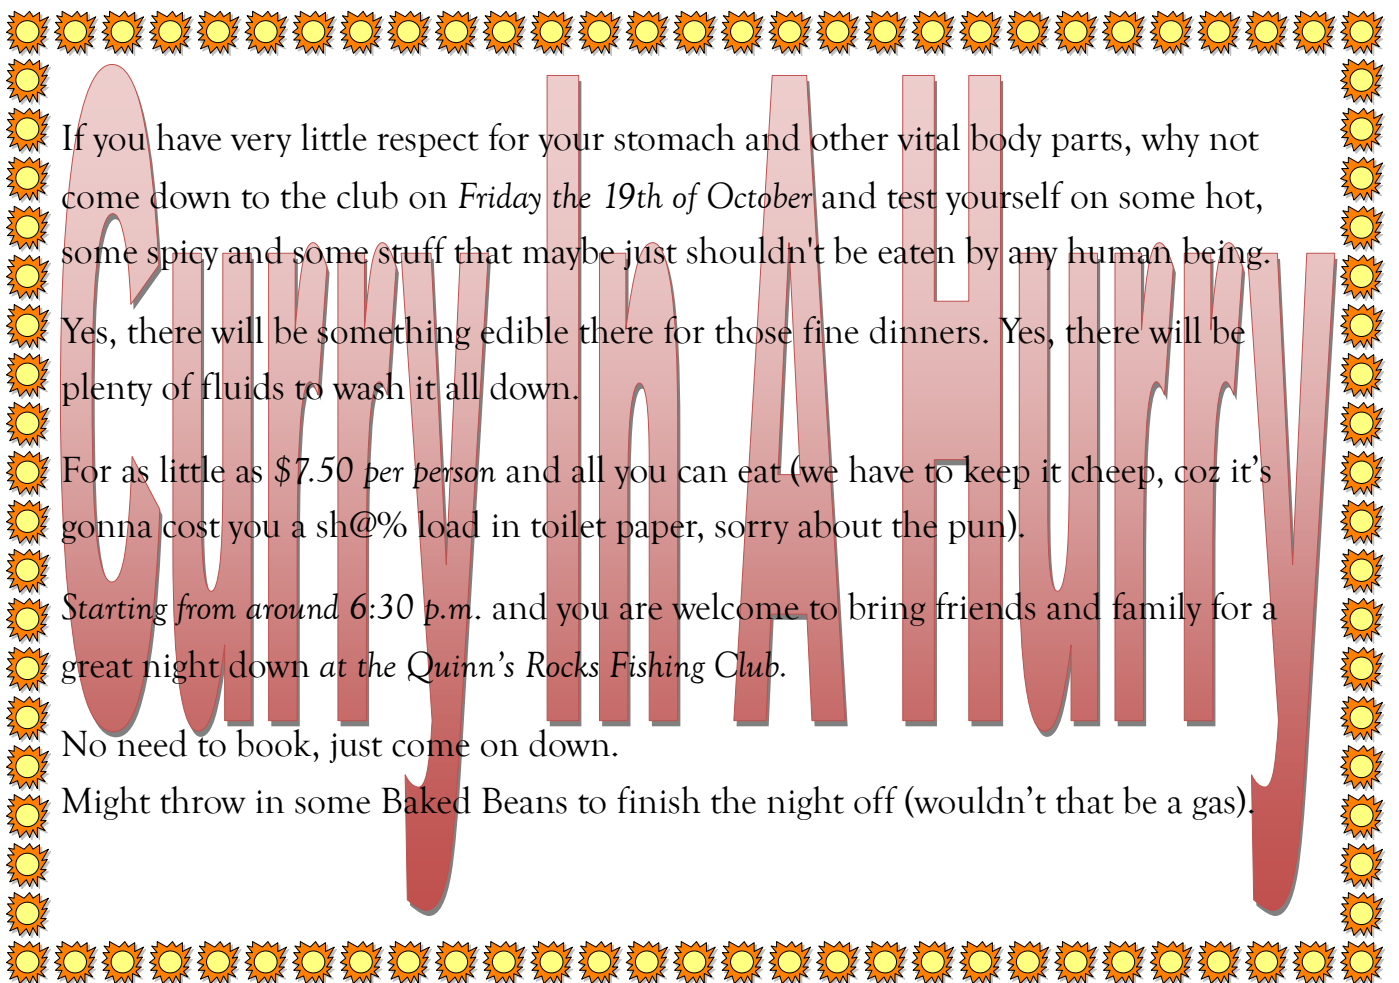

What time: 6:30 p.m. till late.

Where: Cambrey RAAF Village, Hester Ave,

Cost: \$55.00 per head.

What do I get: 3 course meal, limited drinks, entertainment and a chance at some great Door prizes.

Who do I Ring: Phone Sarah on 0400588407 or book at the club on Friday nights. You can pay for the dinner in instalments prior to the night.

If you have very little respect for your stomach and other vital body parts, why not come down to the club on *Friday the 19th of October* and test yourself on some hot, some spicy and some stuff that maybe just shouldn't be eaten by any human being. Yes, there will be something edible there for those fine dinners. Yes, there will be plenty of fluids to wash it all down. For as little as \$7.50 *per person* and all you can eat (we have to keep it cheep, coz it's gonna cost you a sh@% load in toilet paper, sorry about the pun). Starting from around 6:30 p.m. and you are welcome to bring friends and family for a great night down at the *Quinn's Rocks Fishing Club*. No need to book, just come on down. Might throw in some Baked Beans to finish the night off (wouldn't that be a gas).

Currently the Angling & Sports are in the process of running the State Boating Championships from Ocean Reef. We started with Mindarie but they have indicated the event is too big for them to

handle and don't want to upset the locals. The Shire have also said they will book anyone who parks on the road verges

Ocean Reef Sea Sports Club have kindly offered the use of their premises along with Marmion and Hillaries Yacht club.

The comp will be held in April on Saturday

the 6th 2013 with Sunday the 7th as a stand-by date.

We will be running the event from Ocean Reef Sea Sports Club with the aid of the AAA Boating Sub Committee.

We have organized the breakfast on the day to be handled by the Special Olympics Association.

Recent trip to Exmouth, 70-80 Kg (approx.) Marlin at the boat. Only a baby, but what a thrill

### Summary for the 2011-12 QRFC Season

Another fishing season is over. We lost a few months due to bad weather but on the up side, we had a few excellent months as well.

Our club is going strong as more members take part in fishing competitions. We were able to add a beach comp and a Swan river comp to club events with the help of our committed members.

We had a few juniors who fished in some comps but none of them were registered as club members so they sadly missed out on winning any trophies because of this. Will all mum's and dad's kindly register their kids as club members so kid's can have a chance of winning prizes.

I would especially like to thank our valued committee members, all help-

ers who set up on Friday nights and the Angling & Sports members who help on burger nights and during the fishing competitions.

Last year we lost our October, November and December comps due to bad weather.

We had a total of 25 Anglers—1 Junior, 6 Ladies and 18 men 9incl. 5 vis) from 13 boats. Most comp fished were Gamini Jayaweera an Stewart Bruce with 9 each. There were 24 species of fish caught. Justine caught 2 species normally only seen up north from the beach at Quinn's, a Dart and a Threadfin Salmon.

Thank you to the Angling & Sports committee for their ideas and help through out the year. Thanks anglers for your participation.

Happy and Safe fishing.

*Gamini Jayaweera*

### JUST JOKING
