March 2016 Lancelin.

AAA STATE BOATING CHAMPIONSHIPS
More details closer to the date.

PRESIDENTS REPORT

Firstly, I would like to thank everyone for their attendance at the AGM. The AGM was a little unusual this year, however it went off well for the major part. Thank you for voting. As your new president, I would like to thank the previous committee for their excellent contribution of their dedication and hard work, voluntary work is no “claim to fame” it is just a labour of love and commitment by dedicated group of people who give of their time to plan and create the workings of the club. There is a lot of hard work that is done behind the scenes. I am so very grateful to people like Kevin Moss and Richard Lee who have given up their time for this cause for many years. I would encourage more people to come forward and join in. I would also like to thank Des for presiding over the AGM.

I would like to thank and welcome the new committee and management team, and our wonderful members (without you we will not have a club.) You are truly an amazing group of individuals who celebrate diverse interests, coming together to accomplish wonderful things. I am honored for the opportunity to serve as your club president and thank you all for your involvement, your efforts and our achievements.

In the next year, I look forward to working with our General Committee and Angling Sports Committee in continuing the wonderful work of creating and planning for an excellent year ahead. These efforts enlighten and inspire us, celebrate our history, create enthusiasm to grow from within, and sustain our club.

Last but not least, “Our Annual Dinner”, what a fun event, we had 75 people purchase tickets and most attended, it was a fantastic turn out. The Mayor attended and was very encouraging in her speech to us in regard to our opportunity at getting a spot in the new building currently being negotiated with local members of the council. As I understand it she stated that we are not forgotten and are firmly in the running to get a spot. Apart from that we had Kerry, Jack and Paul our very hardworking committee members who worked very long and hard at making this night a success. I would also like to thank Josie Moss for her contribution of the table arrangements which were beautifully done. Thanks to all members, their families and guests for attending. Without our wonderful sponsors we would be at a great loss so I appreciate and thank all our sponsors involved. The venue was excellent and the service impeccable we all had a good night. I can't thank you enough for making this event such a success.

On a sadder note, Peter Nelson was missed on the night of the celebrations, as he was unwell and we wish him a speedy recovery. He was awarded the “club member of the year”

Thank you all, until my next report.

Dee Fernando

QRFC Annual Dinner @ Portofinos

Was a great success thanks to our hard working committee.

Paul & Sandra for organizing the prizes and for entertaining us all while presenting them...

Few new moves shown on the dance floor this year and a fun time had by all .

Thank you to Mayor Tracey Roberts for attending our Annual Dinner .

Captain & President letting their hair down ..

Justine & Pete with their prize painted by Sandra Saunders.

Richards happy with the prize Sharon won.

Oh , what a night !

July Comp 2015

Luke
July Comp 2015

Pete & Carl
August Comp 2015

Captains Report

Finally the AGM & Trophy Night have come and gone and I am still the captain. Funny huh! Thanks to our sponsors and all the anglers for the support you have given.

Our New Angling and Sport Committee members are Henry Boogaard, Jon Lipscombe, Jack Spenceley, Stewart Bruce and Luke Gunner.

Some anglers are having a few misunderstandings or getting slack reading competition rules. The Angling & Sport Committee have put a lot of time getting the competition rules printed. All boats must have a copy of the rules, species list and competition programme. If you haven't got one please ask for one on club nights or I can email one to you.

It has been decided that at this seasons comps weigh-in, if your catch bag is not labelled with anglers name, it wont be weighed in. Stewart Bruce will be handling your catch bag. So please come up to the table and assist Stewart. Then you can make sure your bag of fish gets weighed. So please help your angling committee then we can help you.

If you have any doubt about your catch before putting it on the table ask any A & S committee member.

July Comp Sunday 26th 2015.

We had 14 anglers fish from 7 boats.

14 species were caught and Linda Thompson caught the most species with 7.

The Fish of the day was Breaksea Cod caught by Linda Thompson.

Biggest Fish of the day was Dhufish caught by Troy Bruce 3.036kg.

Other notable catches were:

The Annual Dinner held by the club was a great success.

Happy fishing

Gamini Jayaweera

Pikeys Lure

Heres' one Pikey prepared earlier ...

Sausage Sizzle Fundraiser

Was held at Bunnings Clarkson on the Monday public holiday which saw members and friends sell about 700 sizzled sausages.

An excellent effort and will return the club about \$1000. after expenses. A huge thanks to everyone who chipped in and those who were on standby.

The morning session was fairly slow but kept Gamini, Guy, Laura, Gavin and Jason busy and out of mischief.

Just before lunch the Saunders clan (Sandra, Paul, Jasmine & Chloe) took over and were knocked over by the speed at which the sausages flew off the stand.

I think they were relieved when Dee, Gamini, Guy and Jason re-appeared to do the after lunch spot which was equally as busy but tapered off slightly towards 1 o'clock with busy, very busy and slow times for the rest of the afternoon until closing at 4 o'clock. Thanks to Sharon & Richard who helped during the last period and with cleaning up the area.

The only minor hiccup of the day was someone forgot to defrost the sliced onions, we used about 28kgs of them for the day. I hope Mel wasn't too upset by the mess Jason made defrosting them in her microwave.

Also thanks to Dee & Gamini for providing their kitchen and equipment earlier in the week for slicing onions.

Thanks to Gamini, Dee, Paul, Jason and Richard for cleaning them and not shedding too many tears.

The next sausage sizzle is set for Saturday 12th December and if you can spare some time please put your name on the notice board. It is only 2 hours each and only four people per shift are needed to make it work well.

Remember all funds raised go towards paying your clubs bills and providing services for members.

QRFC TROPHIES FOR THE 2014 - 2015 SEASON

FISH FACTS

An octopus has 3 hearts has acute vision and can detect colours.

Thousands of marine creatures die by mistakenly swallowing plastic bags that resemble jellyfish.

Most lipsticks are made from fish scales.

One of the deadliest sea creatures on earth is the Box Jellyfish or Sea Wasp found in waters around Australia.
