PRESIDENTS REPORT

Presidents Report

Firstly, I would like to welcome all new members to our club. Please let yourself be known to them and make them feel at home.

Next, it is good to know that the AAA competition held in Lancelin was a great success. Thank you to all the members that joined the competition. Lancelin Angling & Aquatic Club were gracious hosts and the event was well presented. Our own esteemed Henry Boogaard was Master of Ceremonies which made us all proud.

It also should be noted that the club now has new facilities such as the pool table and the darts board and our younger members are enjoying the facility.

We had two activities scheduled for March. The first being the band night, the other was our AAA competition at Lancelin. We had a fabulous participation from our members and guests for both events. This turned out to be an overwhelming success. As more and more members are joining in these many events, I would like to encourage further events discussed in our committee meetings. Thanks Kerry, Bevan, Richard and Allen for helping with the setup of the band night and Paul our fantastic DJ for the night and Sandra for helping with the raffles and gifts thanks to all members who contributed to the success of the event. We may even gain a few new members for the club.

With Autumn now upon us, we look forward to some great fishing. Kerry has some great ideas for entertainment. New membership is steadily growing. It would seem like our numbers on Fridays are growing steadily and the committee are always thinking of new ways to provide you with food and entertainment.

The Annual Dinner has been scheduled for the 29th October, Kerry our social coordinator has booked the venue which is Portofinos at Mindarie, the same venue as last year. We are looking to invite the Mayor of Wanneroo again this year. She may be one of our guest speakers at this stage the committee are hard at work fine tuning the structure of this event. It will be a great night, get your tickets as soon as you can as I know some people were too late and missed out last year. Please ask any of the committee members for further detail.

I have discussed with Peter our treasurer who has given me a run down and our financials look healthy, not much has changed, however, we have had many more events and a lot of new membership arising from these events.

I look forward to fun filled fishing days and club day Fridays, let's also have a great month in April and I encourage all members to provide us with more ideas for a bigger and better QRFC.

` Fishing provides that connection with the whole living world. It gives you the opportunity of being totally immersed, turning back into yourself in a good way. A form of meditation, some form of communion with levels of yourself that are deeper than the ordinary self `.

Your President

Dee Fernando.

Band Night & Kids XMAS Party at QRFC with Cargo Beat

UPCOMING EVENTS

Social Events @ QRFC

In the last six months, we have made a concerted effort to increase the social nights at the club, by bringing free entertainment/acts for our members.

So far we have had a magician perform, as well as a band. These events, held at Gumblossom Hall always include food at a very reasonable price, as well as alcohol from our bar and raffles.

The positive feedback, as well as the great support from the members has given us the impetus to go on and always strive to improve.

Our next event is Friday 6th May and it is a tribute to the mothers of our club and their daughters.

As a special gift we are bringing well-known caricature artist Rick Adams to sketch A3 black and white caricatures during the evening.

The food will be fish, chips and salads for \$5.00 per head and raffle prizes to be won.

We would appreciate RSVP's for this event so we can cater (by text on 0407 382225)

Please keep the 29th October free as this is the date of our Annual Dinner. Again, it will be held at Portofinos Mindarie and @\$55.00 per head will include a three course dinner, band and unlimited beer, wine and soft drinks.

As there is a limit of 90 people for the venue let us know early to avoid disappointment...

Please approach us with any feedback and suggestions for future event nights or acts/themes that you'd like to see.

We encourage families and welcome friends and others, who are not members, to attend these nights.

Quinns Rocks Fishing Club might be small but is a place where everything is done from the heart and great friendships are formed.

Lake Navarino November 2015

Navarino November 2015

We had 20 members arrive at Lake Navarino (Waroona Dam,) to spend the weekend.

A few fish were caught , a trout and Paul ended up with 3 Redfin perch plus we had a fly fisherman with us this year.

There was a cook-up on the Sat. night and bacon & egg breakfast on Sunday morning - Thanks Dee & Garmini for cooking Sunday breakfast for us all.. Big breaky then ready to hit the road back home.

Dee & Garmini's home away from home.

Bit of night fishing for Anjali and few others.
Beautiful surroundings but not much caught.

QRFC make it an annual event to visit Lake Navarino.

We base ourselves at the holiday park there and usually explore surrounding dams/lakes during the week-end away.

We have a couple of avid fly fisherman who like to take the long wand for a try, others like to try light spin tackle with worms for bait , both can work.

Some members take their boats and have a bit of fun on the dams too,

Or some like to just sit back with good friends and enjoy nature.

Rebuilding after January fires

New owners officially took over the Lake Navarino Holiday Park on Christmas Eve last year - on January 6th they were forced to evacuate staff and guests as the bushfire took hold. The fire destroyed 4 cabins , the restaurant, office, bar and machinery shed .

A recent volunteer day at the park had 120 people attend. Lake Navarino Campsite re-opened last Labour Day holiday week-end.

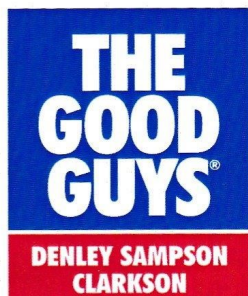

Starting over - owners of Lake Navarino Campsite Waroona .
They are standing on the site of the shop, restaurant, bar and office.
